

Swiffer Sweeper wet mopping cloths are designed with a unique cleaning solution that works to dissolve tough spots, dirt and grime and pull it deep into the cloth and off your floors. Use with care. pH not available

⚠ Do not use on unfinished, oiled or waxed wooden boards, non-sealed tiles or carpeted floors.

APPLICATIONS

Safe for use on vinyl and laminate floors. We advise using these cloths no more than once per day.

Product	IACSW030
Size	x 12 cloths per box

TIPS

- None of us enjoy cleaning with strong chemicals. Why not switch to a more environmentally friendly way to clean the floors: Spray a white cloth with water or your favourite eco-floor cleaner, wrap around your Swiffer head and voila! The advantages are that both sides of the cloth can be used and then thrown in the wash to use again and again.
