## **EYS Eco-Rating Form**

Date:

**Producer: ECOZONE** 

No mentions

No mentions

Green when extraction is green Working towards green

5. Resorption

Product: FABRIC CREASE RELEASER

EYS Product Rating Legend

Eco-compatible product

Product w/ doubts and/or uncertainties

Product w/ high environmental impact

1. Extraction Plant & mineral raw materials Minimal 7 no fossil raw materials Sustainably sourced raw materials Sustainably sourced raw materials Working towards green No mentions  1 aqua 2 silicone emulsion 3 izinc ricinoleste 4 alcohol ethoxylate 5 perfume 6 benzisofilazolinone 6 benzisofilazolinone 7 citric acid 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25  17 ansformation  1 SO 14001 EMAS Proven similar practice Use of ranewable energy No mentions  1 So 14001 EMAS Proven similar practice Use of ranewable energy No mentions  1 aqua 2 silicone emulsion 3 jackaging Recycled material containers Virgin material containers Virgin material containers Virgin material containers Virgin material containers No mentions  1 aqua 2 silicone emulsion 3 jackaging Recycled material containers Virgin material containers Virgin material containers Virgin material containers No mentions  4 Distribution  Mention of specific actions	Life Cycle Phase	EYS Criteria & Colour Code	Global EYS Rating	#	Ingredients INCI Code Declaration according to EC 648/2004 and EU CoSing database	Ingredient Rating		Remarks on Ingredients
